

Transcription Matchmaker

Transcription Matchmaker announces **EMS Placement: Executive, Management, Sales, and Support Placement Services** for the Transcription Industry.

The only recruiting service dedicated to the medical transcription industry

For years, Medical Transcriptionists have come to **Transcription Matchmaker** to find that **"Perfect Match"** for their skills and experiences, and the Transcription Industry has successfully come to **Transcription Matchmaker** for that **"Right Fit"** MT that matched all of their requirements. Now, **Transcription Matchmaker** has expanded their highly successful matchmaker concept to include **Executive, Management, Sales and Support** positions, exclusively for the transcription industry.

Transcription Matchmaker is also proud to announce a new resource. Vince Consoli is joining **Transcription Matchmaker EMS Placement**. Vince brings with him 26 years of meaningful experience in the development of human capital, and is excited about continuing that MatchMaker tradition with the placement of **Executives, Managers, Sales and Support** roles.

We are currently searching for **Sales, Business Development, Account Management, "C" Suite, Transcription Production Management, Senior VP's, Operations VPs, Integration Project Managers, Account Implementation Managers, Human Resource Managers, Technical and Tech support, Help Desk,**

And other **Executive, Management, Sales and Support** roles.

If you are looking for a new challenge, please send your resume,
